Night Carrier for dao

Become a hero of the night!

Do you want a job with freedom and independence?

Do you thrive working at night and in all kinds of weather? Then the job as a distributor at dao might be for you!

dao is continuously looking for distributors for night deliveries in Zealand, Southern Jutland, and Eastern Jutland.

About the Job

As a night distributor at dao, you ensure that our customers' newspapers, letters, magazines, and packages are delivered accurately and on time—directly to their doorsteps or mailboxes.

We operate 365 days a year, and deliveries take place at night, meaning you should be comfortable working while others sleep. As a distributor, you are dao's representative, making sure every product reaches its destination perfectly.

Your Responsibilities:

- Load your vehicle (car, scooter, or bicycle) with the day's deliveries.
- Drive your route and deliver products precisely to customers.
- Work efficiently to meet delivery deadlines.
- Ensure thorough and accurate deliveries.

You will receive comprehensive training from an experienced colleague and have daily support from our operations managers.

Working Hours:

- 20-32 hours per week, spread over 6 days—depending on the available shifts at the time of employment.

About You

We are looking for someone who:

- Can work independently and keep agreements.
- Is detail-oriented, reliable, and takes pride in accurate deliveries.
- Thrives working at night.
- Can communicate in Danish or English (we have an international team).

What We Offer

- A dynamic workplace in a company that is constantly evolving.
- Freedom with responsibility and flexible working conditions.
- A strong team spirit with supportive colleagues.
- Salary and conditions according to the distribution agreement between Dansk Erhverv Arbejdsgiver and 3F.

About dao

dao is a Danish-owned company that delivers newspapers, letters, magazines, and packages directly to customers' mailboxes or a pickup point of their choice.

At dao, time never stands still! With over 1,200 employees, two headquarters in Vejle and Rødovre, four terminals, and more than 35 distribution centers, we work every night, all year round, to ensure safe and timely deliveries—as we have done for more than 100 years.
